

# GREEN AUDIT PROGRAM 2025

A New Era of Authentic Environmental Auditing Begins

India's environmental governance is evolving—and so must its auditors. This program is your gateway to becoming a Registered Environment Auditor (REA) under the new MoEF&CC framework.

Note: ISO certification alone is no longer sufficient.

Only those who pass the written test and meet qualification criteria will be eligible for Environment Auditor

## Who Should Join?

Fresh auditors seeking national-level recognition

Institutions aiming to build internal REA capacity

ISO-certified professionals (within last 6 months) looking to upgrade

Civic scholars & sustainability advocates

## Program Highlights

Based on MoEF&CC Notification (29 Aug 2024)

Designed by Ashutosh Kumar Srivastay—Notional Strategist & Civic Advocate

Green Credit verification, ESG integration, audit ethics & legal frameworks

Mock audits, GIS/IoT tools, & dashboard reporting

## Why This Matters

India now demands verified environmental impact, not checkbox audits. Be part of the movement to build a credible, transparent, and nationally aligned audit ecosystem.

For Registration, Collaboration & Institutional Onboarding

## Program Fees (Excl. 18% GST)

Rs. 1,000. (Excluding 18% GST)
